

Bulmer's Musical Extravaganza!

What a fantastic afternoon we've had today! Bulmer St Andrew's C of E School held their Spring Concert to round off a fantastic term's learning.

Many children take part in a wide range of pursuits outside of school, playing instruments, sports, gymnastics, and drama or perhaps going to clubs like brownies or cubs. Our concert gave our children an opportunity to share some of their talents with us.

We were so proud to see so many children participating with; it was fabulous to see their confidence growing. Part of our Vision statement in our school is about developing self-confidence in children and today they did us proud! Watching one girl, who at 5 went very red and cried when anyone talked to her, today get up on stage and give a solo dance performance gave us a real sense of pride. She had a fantastic sense of rhythm and timing.

There wasn't a dry eye in the hall as we listened to Charlotte singing 'Where is love?' she was superb. Our sides hurt with laughter as we watched Jack & Toby perform their musical sketch with puppets. We must also mention our very own dance choreography team, 'The Black Notes', as they rounded off the afternoon with a great new routine to Steps.

We'd like to thank our Friends of Bulmer School who provided all the children with a treat during the interval and supplied all the refreshments for all the family members that came along to support us.

I hope you enjoyed the afternoon as much as we did.
